## High school students sought to serve as Election Inspectors for Presidential election

High School Students who are 16 or 17 years of age, enrolled in grades 9-12, and have at least a 3.0 GPA may apply to serve as election inspectors with the written approval of a parent/guardian. Students may fulfill community service hours through this experience and not get paid or get paid. If a student chooses to be paid, the student will not be able to use hours worked to fulfill community service hours.

Students will be required to provide a transcript to serve a verification of age, grade point average, and residency. A set of Frequently Asked Questions (FAQ) regarding the guidelines for high school election inspectors, compiled by the Wisconsin State Elections Board is available.

Interested students should contact Susan Edman, Executive Director-Board of Election Commissioners, at (414) 286-6119 if you wish to apply and receive information on upcoming training sessions.
